Dear Mr. Haddock

This letter is a request for an informal conference regarding Cessation Order NC-2005-02-04(1) West Desert Collectors Tetla Septarian Mine, Kane Co, Ut.

At present I am dependent upon Mr. Foy Crapo for reclamation - He informs me that substantial work has been done the past 30 days -

He informs me that he has a meeting scheduled with Mr. Doug Jensen for some date in Oct - pending the outcome of that meeting I will be better prepared to deal with the problem of abatement - My intention is to reclaim 100% of the disturbance this fall if possible - Then in the spring decide whether to continue to operate the septarian mine

Thank You

Best Regards Robert Hoban
