Dear Mr. Hedberg,

We received your letter written to us on September 6, 1994 in referrence to the disturbed area assessment, March Corporation, Bald Knoll Mine, M/025/012.

I have met with my Attorney, Jim R. Scarth and gave him a list of my main objections concerning the operation. Not all.

Hopefully you have received a letter from him. If not, please let me know.

I appreciate your interest in this matter and your letter informing me of current events. If you have any questions, please feel free to call my home phone number 801-644-2671. Thank you.

Sincerely,

Terry Leach
