DEAR MR. HEDBURG,

ENCLOSED ARE THE COMPLETED (MR-SMO) FORMS YOU SENT ME.

THE REASON SITLA THOUGHT I WAS NOT ON STATE LAND IS MY FAULT. AS I AM NOT A CARTOGRAPER, I MARKED MAP SLIGHTLY OFF STATE LAND. ON THE ACTUAL MINE SITE I HAVE PAID A SURVEYER TO STAKE THE AREA, AS NOT TO MAKE THE SAME MISTAKE ON THE GROUND.

THE ONLY PART OF THE ACCESS INTO THE AREA WHICH DOES NOT HAVE A ROAD ALREADY IS THE LAST 6-8 HUNDRED FEET. PART OF THAT IS IN A WASH WHICH WILL REQUIRE LITTLE IF ANY DISTURBANCE LEAVING ONLY ABOUT 100 FEET JUST PRIOR TO THE AREA TO BE MINED WITH MINIMAL ROAD BUILDING NECESSARY.
