I talked with Mr. Gordon Griffen (owner of Red Dome) today. He is planning to reclaim about 1/3 of his disturbance within the next couple of weeks. I provided a seed mix for him and called BLM (Melanie Mendenhall (HRRA)) to get BLM concurance for the mix.

I asked him the status of his response to our September 27, 1994 review for his LMO. He stated that he has not done anything yet due to illness for the last several months. However, he would like to meet with DOGM staff on **Tuesday, March 28th around 2-3:00pm** to discuss the review. **Please let me know ASAP if you would be available at this time.**

NOTE: most of the review comments were from Tony, Travis and me.
