Subject: Directive to Re-Amend Reclamation Surety, Red Dome Inc., Red Dome Mine, M/027/0032, Millard County, Utah

Dear Mr. Griffin:

Thank you for the recent renewal of your letter of credit (#') held with the Bank of America. The name of the applicant on the letter of credit (Gordon D Griffin and Beckford, Griffin Family Investment LC) has been changed from the applicant name previously listed on the letter of credit (Red Dome, Inc.). Red Dome, Inc. is the current name of the operator on the rest of the documents in the files of the Division of Oil, Gas and Mining.

By June 14, 2013, you are required to EITHER:

1) Change the applicant name on the subject letter of credit from "Gordon D Griffin and Beckford, Griffin Family Investment LC" to "Red Dome, Inc." The address should also be updated as needed.

OR

2) Change the operator names on the Division's documents, including the Reclamation Contract and the incomplete Notice of Intention to Commence Large Mining Operations (Notice).

Since the Division has not approved a Notice for this operation, the Division will be in contact with you to set up a timeline for the submittal of the additional required material. The current reclamation surety will need to be re-evaluated for adequacy upon receipt of the required additional information. If you have any questions about permitting requirements, contact Peter Brinton at 801-538-5258.
