3/25

Jim,

Fullmer stopped in today and indicated that the Kooskaum problem is "settled," Interstate Brick will go back in and mine shortly. I told him that we would wait for their notice of same and in the meantime would not hold up any Board action on him or Interstate. I want for future plans of Interstate

1. No more contracts for surety.
2. A bond for all operations in the N.F. on state or fee land.

Ron

ok
