Dear Mr. Gibson:

Re: National Historic Register Listing for the Bingham Pit, M/035/002, Salt Lake County, Utah

Please find enclosed, copies of documents sent to this office recently by the Utah State Historical Society. The documents discuss the listing of the Bingham Pit on the National Historic Register. They also specify the boundary for the pit relative to what has been designated on the Register.

Please advise us regarding any mining activity taking place beyond the limits of the boundary as shown on the attached map. Also, please advise us concerning the accuracy of the boundary displayed on this information.

Sincerely,

Holland Shepherd
Reclamation Specialist
