SUBJECT Kennecott Presentation to Board on May 23rd

DATE May 24, 1991

Kennecott's presentation and summary of the 1991 Annual Reclamation Plan was delivered by Ms. Cindy Emmons. The new, or most recent (high turnover rate) Director of Environmental Affairs for Kennecott. The presentation was superficial and full of inconsistencies. Kennecott's designated permit liaison (Mr. Barton Hale) was conspicuously missing during the presentation.

I am concerned that Kennecott may not follow thru with the commitments made for the 1991 reclamation year; nor developed the methodology necessary to reclaim the more problematic areas on site
