DOGM MINERALS PROGRAM FILE COPY

FROM TONY GALLEGOS

SUBJECT RECLAIMING OLD SHAFTS & ADITS ON KUC PROPERTY (TELEPHONE CONVERSATION)

~0900 DATE THUR. OCTOBER 10, 1991

-I INFORMED DON DEINES, KUC-ENVIRONMENTAL SECTION, 569-6698 THAT AFTER DISCUSSING THIS ISSUE WITH THE MINERALS STAFF IT WAS DECIDED IF THE SITES ARE WITHIN A PERMIT BOUNDARY, DOGM WOULD LIKE TO KNOW WHERE, WHAT & WHEN FOR APPROVAL. IF THE SITES ARE OUTSIDE THE BOUNDARY WE WOULD STILL LIKE TO BE INFORMED, BUT NO FORMAL DOGM APPROVAL, JUST "GOOD JOB". HE ENVISIONED A LARGE SCALE MAP SHOWING PERMIT BOUNDARIES AND SITES, TYPICAL SPECS FOR ACCESS ROADS, CLOSURE METHODS, & RECLAMATION PROCEDURES WITH A COVER LETTER. HE DOES NOT ANTICIPATE PRESENTING ANYTHING TO DOGM UNTIL ~SPRING 92 AT THE EARLIEST.
