FROM TONY GALLEGOS

SUBJECT PHONE CONVERSATION W/ BILL DODGE, BARNEY'S CANYON REVISION M/035/009

DATE JULY 21, 1992 ~0910

- THEY ARE WORKING ON A RESPONSE TO OUR DOGM REVIEW COMMENTS. THEY HAVE WORKED OUT A PIT BACKFILL SCENARIO {(1) MINE SOUTH BC SOUTH PIT (2) MINE NORTH BC SOUTH PIT & BACKFILL SOUTH BC SOUTH} BUT SCHEDULING & TIMING IS CRITICAL. THEY NEED TO BE MINING ORE BY JAN. 93 WHICH MEANS STRIPPING, ROAD BUILDING, ETC., NEEDS TO BEGIN BY OCT-NOV 92. THEY PLAN ON SUBMITTING A RESPONSE BY AUG. 3 AND WOULD LIKE TO MEET SHORTLY AFTER THAT TO DISCUSS. → IN ORDER TO MEET ~OCT.-NOV. TIMEFRAME WE WOULD NEED TO PRESENT THIS AT THE SEPT. 23 BOARD MEETING & BE RUNNING THE 30-DAY PUBLIC COMMENT PERIOD CONCURRENTLY. → I WILL TALK WITH WAYNE & HOLLAND ABOUT THE CRITICAL TIME SCHEDULE & POSSIBLE OPTIONS FOR PUBLIC COMMENT / BOARD PRESENTATION. ONE OF US WILL CALL BILL WITH OUR OPTIONS.
