Re: Proposed Waste dump in Barney's Canyon by Kennecott Corporation Gold mining operation

Dear Mr. Hedberg,

Please be advised and please advise the board of Oil Gas and Mining that we have a 5/32 Undivided interest in 165 acres of Patented mining claims in Barney's Canyon in Salt Lake County, Utah.

We are concerned that our property will be adversely impacted by a waste dump being proposed by Kennecott Corporation's Barney's Canyon Gold mining operations.

We do not feel that our concerns have been properly recognized and addressed.

We are in the process of getting legal and technical Counsel to assist us.

We request that the matter be held in abeyance until we have had a chance to complete our investigation.

Sincerely yours,
Hal A. LaFleur for
