Snowbird Conference Center

- detailed reclamation plan not required ?? will one be prepared?
- landscape architect involved to develop same
- for bonding purpose a plan must be provided to county

comment:
@ 190,000 Cu.ft. of rock to be removed, area to generate erosion, what efforts to mitigate.
* Catch basins, culverts, siltfences, etc. to be

~~Kurt~~ Cunningham
Roads to be constructed, staging area
2 major roads ?? Explain impacts. Not roads, "temporary paths"

Tom Alfers ?? (Birds eye Quarry) used in Manti Temple
offering a "deal" to the church if they want to use his rock.

Scott Howell (State Representative)
* last speaker
