Need map of facilities

~~P-44939 reproduced on both sides~~

MR-2 #4 - Greasewood, Big Sagebrush, cheatgrass, Indian Ricegrass

(a) 10-20% cover

~~#11(d) Depends on where the pad is planned to be located but why remove existing topsoil to bak backfill the previously existing open pit?~~

~~11) Grading and Re grading - why not reduce highwall~~

Testing } These sections should
Rewg } be completed. Seed mix:

Russian Wildrye	3#
Standard Crested W heatgrass	4#/Ac
Intermediate W heatgrass	4#/Ac
Four-wing saltbush	1#
