Re: South Lisbon Mine
San Juan County, Utah
ACT/037/018

Dear Mr. Newman:

On December 7th, 1977 personnel from the Division of Oil, Gas, and Mining performed a field inspection of the South Lisbon Mine in the company of Mr. Carl Lipp, of Minerals Recovery Corporation.

At that time we informed Mr. Lipp of the Division's need for a detailed map from Minerals Recovery Corporation of the mine area showing contours and drainages and locations of all existing and proposed access roads, portals, dumps, stockpiles and surface facilities.

Please find enclosed the original revised MR Form 1 and 2 for your attention in obtaining the required signatures and notarizations, along with your addressing the circled items concerning Mr. Buck's correspondence of September 15th, 1977 which have been neglected.

Your help and cooperation regarding these matters is greatly appreciated.

Sincerely,

James W. Smith
