Re: Sediment Storage/Sed Pond 004A Cleaning

Dear Mr. Haddock:

After our telecon today I am withdrawing the Sediment Storage/Sed Pond 004a Cleaning Addendum and replacing it with a Coal Mine Waste Temporary Storage Area-Ditch 29A/731.720d/MRP Addendum 9/6/94. Please review this at your earliest convenience as we are now pressed for time.

Thank you for time and consideration concerning this matter. If you have any questions, please call me at (801) 448-9413.

Sincerely,

Steven K. Tanner
Environmental Coordinator

Enclosures:

WHITE OAK MINING & CONSTRUCTION CO., INC.

**COAL MINE WASTE TEMPORARY STORAGE AREA-DITCH 29A/731.720d/MRP
ADDENDUM 9/6/94**

The area previously know as the Upper Material Yard will become the temporary storage area for Coal Mine Waste as shown on Drawing R645-301-731.720d White Oak Sediment Control Facilities, Scale 1"=100' Sheet 1 of 1. Ditch 29A will be required to be moved, for approximate location see the aforementioned drawing.

Contours in this area depict sed-pond materials temporarily placed in 1993 as well as general maintenance materials and rip rap storage. This area will also be utilized as a curing area for sediment excavated from Sed-Pond 004A this fall.

Upon completion of Sed-Pond 004A and final alignment of Ditch 29A, all appropriate Surface Facilities Map will be updated.
