ACT 100/001 #2

Mr. Daron Haddock, Permit Supervisor
Utah Division of Oil, Gas & Mining
355 West North Temple
3 Triad Center, Suite 350
Salt Lake City, Utah 84180-1203

RE: White Oak Mining & Construction Company, Inc., Petition for Review
of Division Order #94-B

Dear Daron:

Enclosed are three copies of White Oak Mining & Construction Co., Inc.'s
snow removal plan and a revised Table of Contents for insertion in the Mining &
Reclamation Plan.

It is my understanding that, based on our settlement discussions with the
Division on November 7, 1994, submission of the snow removal plan in a format acceptable
to the Division will terminate Division Order #94-B.

Please let me know if you need any additional copies of the snow removal plan
for the MRP.

Very truly yours,

Denise

terms were established in the DO (I haven't checked, but they should
have been!)

Thrust of the discussion was that the DO required submission of plans reflecting the ALJ's decision allowing snow blowing.
