Anaconda Carr Fork Mine

Route for comments & Return to MT by Dec. 7 to present to Board for final approval.

Hydrologic groundwater monitoring of alluvial terrace areas

~~No comment~~ How about monitoring for possible seepage from tailing pond

12/10/79 TJS

JWS No comments

1/14 Rec - none

Mike — I made a few Δs in letter, exec summary and contract. I put clips where Δs are.
