9-3-79 Phone call from Mr. Al Krueger (Krueger) notifying Division of mining of barite on T3N R17W Secs. ~~2~~ 35 and T2N, R17W Sec. 2 (State Section).

9-18-79 Site visit to Silver Island Mtns mine site to verify that mining occured. Estimated about 5 acres of disturbance. A notice of assessment work had been posted by Mrs. Edda Eldridge for #ML 27374 on the disturbed site. The notice was dated 9-1-79.

9-21-79 State Lands requested Mrs. Eldridge to post a bond of $ for ML

9-24-79 Learned from State Lands that Edda Eldridge holds a barite lease on Sec 2 T2N R17W. No bond exists for mining this site.

10-4-79 The Division contacted Mrs. Eldridge by letter and requested her to file a notice of intent to mine

10-4-79 The Division contacted Mr. Nelson of Numa Corp. and requested NUMA also to comply with the act

10-19-79 Mr. Krueger advised the Division that NUMA Corp was bringing suit against Clark Powell for selling claims which did not belong to him

10-22-79 Letter from Mrs. Eldridge - Read letter

10-31-79 Mr. Nelson of Numa Corp called the Division in response to the 10-4-79

letter and stated that he signed an agreement with Mrs. Eldridge that NUMS would not conduct further operations on her State leases. Mr. Nelson agreed to come into the office and discuss reclamation of the site. Mr. Nelson never came into the office.

12-3-79 The Division sent a letter to Mr. Nelson of NUMS Corp directing them to
1. Regrade the area to contour it
2. To seed the area
3. To submit a notice to Board that the above directives were carried out and
4. To perform all of above w/in 30 days.

5-23-80 Division made a site visit to area and paced area - at least two acres + still disturbed - none of work had been performed as directed above.
