Dear Sir;

We are writing to protest the approval No. Act/045/017 Division of Oil, Gas and Mining by Barrick Mercur Gold Mines, Inc. Tooele County, Utah.

We have had a state lease #21845 for over 40 years on Sec. 32, Lots 1-18 and if Barricks are allowed to put a Meadow Canyon Reservoir it would be on our ground. As you can see it would greatly interfer with our operations.

On July 16, 1986, the State of Utah Division of Natural Resources sent us a letter stating that Barrick Mining had obtained a lease to go on this property for mineral testing and would get in touch with us of their intentions to go on the property and damages, etc. We have heard nothing from them about this property.

We do protest this approval and will be waiting to appear before the Board.

Thank You
Vinnie Gult & Sons
