Dear Mr. Braxton:

Subject: Request for Extension of Submittal of Form MR-AR

Due to the time involved in producing the 1995 disturbance maps, Barrick is requesting an additional extension of submittal of form MR-AR, Annual Report of Mining Operations, until April 30, 1996. We feel that this extension will allow us adequate time to prepare a complete annual report.

I apologize for any inconvenience this may cause you or your staff.

Please contact me at extension 335 should you have any questions concerning this request.

Respectfully,

David P. Beatty
