Surface Management Bond Riders Required

This office currently holds a surface management bond, Bureau of Land Management (BLM) bond number UTB000143, in the amount of $13,710. The bond covers operations under notice U-69227. Since the BLM holds the surety bond, all original riders must be submitted to this office for BLM approval.

The Utah Division of Oil, Gas and Mining (UDOGM) forwarded the original rider that increases the bond from $13,710 to $27,700. However, the rider shows Broken Arrow Inc., as the Principal. The UDOGM later forwarded a copy of the first rider changing the principal from McFarland and Hullinger to Broken Arrow Inc. These riders have not been approved by the BLM. In addition, the riders must show that the surety is in favor of the United States of America (BLM) and the State of Utah Division of Oil, Gas and Mining.

Since the new principal is Broken Arrow Inc., a bond rider must be completed to cover operations by McFarland and Hullinger. Please complete the enclosed personal bond rider and submit to this office at the above address.

A new surety rider is required and must show that the bond is held in favor of the United States of America (BLM) and the State of Utah Division of Oil, Gas and Mining.

If the operation is being transferred from McFarland and Hullinger to Broken Arrow Inc., then contact this office so that we can forward the proper forms.

If you have any questions, please call Opie Abeyta of this office at (801) 539-4123.
