Dear Mr. Gipson:

Re: Determination of Completeness, Permit Renewal, White Oak Complex,
ACT/007/001, Folder #2, Carbon County, Utah

The Division has reviewed the application for permit renewal received on June 2, 1994 and has determined it to be complete and accurate.

At this time, the applicant should publish a Notice of Application for Permit Renewal as required by R645-300-121. A copy of the publication notice should be sent to the Division as soon as it is available. The Division will notify all other interested agencies and allow for their comment prior to making a final decision to approve or disapprove the renewal application.

Please feel free to contact me if you have questions.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
