Steve - I have reviewed the Notice of Intention for a small mine permit for the Lost Mine Road mine by Clifton Mining Company in Tooele County. They have requested the following :

- 3 acres of Ground disturbance

The reclamation surety is determined to be $17,500 for 3 years or $17,900 for 5 years (see attached spreadsheet). Please send your concurrence via email. If you have any questions please call me at 801-538-5257

Leslie,
The BLM will be requesting additional information from the applicant, therefore, we can not concur with the reclamation surety at this time.

Steve
