Dear Tom,

I very much appreciate the time you, Wayne Hedberg, Tom Munson and Steve Cox took to meet with Jay White, our consultant, and me on August 12, 1983, to discuss the Environmental Monitoring Plan Outline we prepared for submittal to the Synthetic Fuels Corporation (SFC).

As we discussed during the meeting, SFC requests that comments on the Outline should be forwarded to them and our company within five weeks of the date of submittal. Please submit your comments to Steven M. Gottlieb, Director of Envirnoment, United States Synthetic Fuels Corporation, 2121 K Street, N.W., Washington, D. C. 20586 and a copy to me.

Sincerely,

Catherine
