RE: *REQUEST FOR EXTENSION -- DIVISION ORDER #95A, WHITE OAK
 MINING & CONSTRUCTION CO., INC., CARBON COUNTY, UTAH,
 ACT/007/001* #3

Dear Jim:

On behalf of White Oak Mining & Construction Co., Inc. ("White Oak"), Steve Tanner and I appreciated the opportunity to review Division Order #95A with you at our informal conference today. White Oak now has a clearer idea as to how to approach temporary storage of spoil material at the White Oak Complex. As you may recall, the abatement period for Division Order #95A was extended through today to accommodate the informal conference. White Oak would appreciate an additional ten-day extension of the abatement period for this Division Order to enable the operator to prepare plans and text describing spoil material storage activities at the Complex.

Please confirm this extension in writing at your earliest convenience.

We appreciate your assistance in this matter.

Very truly yours,

Denise A. Dragoo
