ACT/007/001 #2  
Copy Daron, Joe,  
Randy

Dear Randy:

The attached pages incorporate changes to the MRP which add a discussion at the end of the Operation Plan related to the disturbed area spoil management. The entire section has been recopied for insertion into the MRP since the added text changed the page numbering and added the section heading to the Table of Contents. No other changes have been made to the text other than that made to Page O-13 of 14 and that added to make Page O-14 of 14. Also included are eight 11 by 17 copies, and one full size copy of Map R645-301-231.300, Sheet 4 of 4. Please return one copy of both the map and the text subsequent to your incorporation into the MRP.

Should you have any questions, please call.

Sincerely,

Steven K. Tanner  
Environmental Coordinator
