Re: Gilsonite Lease ML-46896
Sec.32, T11S-R24E
Uintah Co., Utah

Dear Sir:

In accordance with our phone conversation this afternoon, I am writing to let you know that Ziegler Chmical & Mineral Corporation, as Lessee and Operator, intends to grade and bar ditch the old road which was used for gilsonite haulage during the 1920's and 1930's. The grading will consist of approximately one-half mile on the old road from the Southwest corner of Section 32 to the mine (see enclosed map).

Very truly yours,

Robert E. Covington
