12/7/87

Frank Fitas -

Had an appointment to meet Jerry Hanson at the quarry - 9:00 a.m - 12/4/87

I was there - He didn't make it -

(Note - He tried to call) -

Suggest you set a new date after the first of the year -

Pauline Pugh may call again on this case -

She wants him bonded -

I called and left a message for her on 12/3/87 saying we were starting on the case -

J Hanson
