12-1-98

RECEIVED
DEC 30 1998
DIV. OF OIL, GAS & MINING

In Oct. of '96. I was proceeding onto Highway 6, from the County Road West of Santaquin.

After traveling 300 feet, I was rear-ended by a West bound car, which could not see me in time to slow down.

I feel this stretch of the road is unsafe for cars, let alone semi trucks!
