Subject: Notice of File Closure, Peck Rock and Products, Soldiers Pass Mine, S/049/0072, Utah County, Utah

Dear Mr. Peck:

The file for the Soldiers Pass mine, permit number S/049/0072, located in Utah County, Utah, will now be closed and retired.

By letter dated May 1, 2014, the Division of Oil, Gas and Mining required that a reclamation surety be posted or the file would be retired. The Division has not received the surety, and, the School and Institutional Trust Lands Administration (SITLA) lease, ML-51630, expired as of August 31, 2014. The Division has received concurrence from SITLA for the file closure.

If you wish to conduct any future mining or exploration related activity, you will need to submit a new Notice of Intention and a reclamation surety to the Division and obtain approval from the Division and other appropriate agencies prior to creating any disturbance.

Please contact April Abate at 801-538-5214 or me at 801-538-5261 if you have any questions regarding this action.

Sincerely,

Paul B. Baker
Minerals Program Manager
