Hauling to be done with Truck & Trailer semi w/40' Flatbed

We intend to remove any or all precious stone, decorative stone, and all mineral bearing ore.
We will use front-end loaders, backhoes and track crawlers. The access road is existing and will be upgraded as needed. Reclamation of all areas disturbed will be completed to the standards described in S. 3809.1.

no blasting

We will take measures to prevent unnecessary or undue degradation to Federal lands during our operations. All areas disturbed shall be reclaimed as soon as removal of rock is complete.
The mining operation will start as soon as possible and will be an ongoing operation with work on mine taking place each week. We would like to errect a gate or gates at entrance of mine to insure safety to the public. or we would like to live on Claim mobile home
