RECEIVED

Attn Mr Larry Gore -

Dear sir. This is a letter of intent to take bentonite ore from the Red mud mining claims #1 300290 #2 300295. located in Sec. 30 T40S R17W. SLM. #1 in the NE1/4 #2 in the SE1/4. the County road going west just below Gunlock runs thru the claims - 1.7 miles off oil road.

T40S R17W Sec 30
NE/4 of SE/4 & SE/4 of NE/4

We will disturb less than five acres, and will take estimated 10,500 tons of bentonite to go in the Enterprise City Utah's Sewer Lagoon.

using Front End loader

When completed we will reclaim the area disturbed except to the extent neccessary to preserve evidence of mineralization and accessment work done in the past.

Starting time will be estimated in thirty days weather permitting.

Thank you kindly.

372 N. Main
Gunlock, UT 84733

Jesse W Hunt

P.S. Estimated Time for completion is 18 Months.
