State of Utah
Department of Natural Resources
Division of Oil, Gas and Mining

June 4, 2002

Attn: Doug Jensen,

This is in response to your notice that the TJKSJ Placer permit was closed. After further investigation by Rick Rimmerson of the BLM and ourselves it was determined that it was not closed and that we are operating our claims completely within the law. If you would like to talk more on this issue please call.

Thanks,

Russell C. Feller
