Dear Mr. Rhine:

Re: Formal Approval of Form and Amount of Reclamation Surety, Interpace Industries, Pleasant View Pit, M/057/003, Weber County, and Clinton Pit, M/049/006, Utah County, Utah

On April 22, 1992, the Board of Oil, Gas and Mining formally approved the form and amount of reclamation surety for Interpace Industries's Pleasant View Pit ($3,800) and Clinton Pit ($47,700). Both these operations are bonded under Seattle First National Bank in the form of a Irrevocable Letter of Credit.

Enclosed please find copies of the fully signed and executed Reclamation Contracts for the two operations.

Thank you for your time and efforts in helping finalize this permitting process.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
