Vernal, UT 84078
(801) 789-5384

Legal Description

Township	Range	Section(s)	1/4 1/4 Section
16S	24E	5	

File Comments

This site was originally mined by T.J. Murphy under DOE/019/020 and M/018/014. The Division granted Merrell an exemption in 1985 with the understanding that the permit would be transferred to him. Merrell mined the site during the summer of 1985. The mine has been inactive since that time.
