6-19-78 Vanadium Queen Mine ACT/037/036

- Signatures & notarization ok
- Acreage disturbed 1 3/4 ac ?
- MR-2 page 2 Grading & Testing ok
- " page 3 Seed Mix ok

Should be ok for tent. approval w/ M-10 commitment

Jim

See anything else?

1. Where will topsoil come from MR-2, II-6
2. Better discharge for mine water, pipe to bottom of dump so that sus. solids not incr. (increases radiation in water)
3. M-10

Tell him our measurements on the map and field estimates indicate 2 acres all present, including roads and. OK Katherine
