Subject: Revision to White Oak permit concerning Pond 004 Sediment Removal.

Copy Joe

Please find enclosed 7 copies of changes to the White Oak permit concerning the pumping of sediment into the "west mains" at the White Oak Mine. This submittal is being made to comply with a request from Joseph C. Helfrich.

A single page has been added to the appendix out of a August 1993 copy of the Valley Camp PAP. The page has been revised to note the inclusion of this appendix. Due to circumstances created by my predecessor the information on this page does not specifically fit anywhere in the current PAP.

If you have any questions please contact me at (801) 561-1555.

Sincerely yours,

Vicky S. Bailey
Permitting Coordinator
