Re: Fourth Quarter Lab Data, White Oak Mining & Construction, White Oak Mine, ACT/007/001, Folder #3, Carbon County, Utah

Dear Ms. Bailey:

We received your letter dated January 30, 1998 on February 2, 1998 which indicated a conflict with the lab as the basis for not submitting the data. I believe our conversation on the fifth of February eluded to providing White Oak an additional thirty days to provide the data. Although I did not send you correspondence to that effect I believe the additional thirty days has come and gone. Please send the Fourth quarter data by no later than March 16, 1998.

If you have any questions, please call.

Sincerely,

A handwritten signature in cursive script that reads "Joseph C. Helfrich".
