Re: Proposed Culvert Removal on Out Slope of #1 Mine Access Road, White Oak Mining & Construction, White Oak Mine #1, ACT/007/001-98C, File #2, Carbon County, Utah

Dear Mr. Dyches:

The referenced amendment which details a methodology for removing a half round culvert from the out slope of the #1 mine haul road is scheduled for review by September 4, 1998. By way of this correspondence copies will be distributed to requisite Federal Agencies for review. Additional copies will be located in the Salt Lake and Price Field Offices to accommodate possible reviews by other state entities.

Questions regarding the review of this amendment may be addressed to Steve Demczak, Senior Reclamation Specialist, at our Price Field Office, Paul Baker, or Mike Suflita, Senior Reclamation Specialists at our Salt Lake Office.

We appreciate your submittal.

Sincerely,
