Under the direction of David B. Miller of Lodestar Energy, Inc, we are submitting revisions to Chapter 1 of the White Oak Mines permit. Due to the recent sale of the White Oak Mines the legal and financial information required revisions. Chapter 1 was previously submitted in a different format, however we have chosen to submit the information in a format following the regulations. Appendices have been added to include the entity reference information, newspaper notice for the sale and land and coal leasing information.

If you have any questions please contact me at (435) 472-0884.

Sincerely yours,
