RE: Proposed Culvert Removal on Out Slope of #1 Mine Access Road, White Oak Mine,
ACT/007/001, Carbon County, Utah.

Per a request by Mike Sufflita and under the direction of David Miller of Lodestar Energy, please find attached a revised proposal to remove the half round culvert at the White Oak Mine. Two copies of the amendment are being delivered to the Salt Lake Office, a third copy is being delivered to the Price Field Office.

In the "technical analysis" dated October 8, 1998 ACT/007/001/98C, File #2 addressed to Mark Wayment, Mine Manager at White Oak Mining & Construction Company approval was given to remove the half round culvert. In addition verbal approval was given on August 6, 1999 to myself and Steve Demczak by Joe Helfrich to remove the culvert once Steve inspected the site. The culvert has been removed, however we are awaiting the approval of the methods to be used to reclaim the slope. Your assistance in an expedient review of the methods suggested would be appreciated.

Should you have any questions concerning this submittal, please contact me at (435) 472-0884.

Sincerely yours,

Vicky S. Miller
Permitting Coordinator

Application for Permit Change Detailed Schedule of Changes to the Permit

Title of Change: Half Round Culvert Removal Amendment

Permit Number: ACT/007/001

Mine: White Oak

Permittee: Lodestar Energy, Inc.

Provide a detailed listing of all changes to the mining and reclamation plan which will be required as a result of this proposed permit change. Individually list all maps and drawings which are to be added, replaced, or removed from the plan. Include changes of the table of contents, section of the plan, pages, or other information as needed to specifically locate, identify and revise the exiting mining and reclamation plan. **Include page, section and drawing numbers as part of the description.**
