Re: Return of Culvert Removal Amendment, Lodestar Energy Inc., White Oak Mine,  
ACT/007/001-AM99B, Folder # 2, Carbon County, Utah

Dear Mr. Miller:

The Division received on October 12, 1999, your application to revise the White Oak Mine Permit Application Package(PAP) by removing a culvert. Shortly thereafter our staff met with Vicky Miller at the site and determined that a different approach may be better for stabilizing the slope. Vicky requested that we return the October 12<sup>th</sup> submittal and she would then resubmit the amendment with the revised plans. The two copies that were submitted to our office are enclosed. We look forward to receiving your revised plans.

If you have any questions, please call me at (801) 538-5325.

Sincerely,
