Re: Tentative Approval for Highwall Elimination Plans, Lodestar Energy Inc., White Oak Mine, ACT/007/001-AM99C, Folder # 2, Carbon County, Utah

Dear Mr. Miller:

The Division received your revised application which contained plans for Highwall Elimination at the White Oak Mine on November 15, 1999. Our review of the information has found that the proposal is adequate to meet the requirements of our coal rules. Your application is hereby approved contingent upon our receipt of 7 clean (redline/strikeout removed) copies of the submittal for distribution and insertion to the approved Mining and Reclamation Plan. Please provide the copies by no later than January 7, 2000.

If you have any questions about the requirements, please call me at (801) 538-5325.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
