Re: Conditional Approval of Proposed Culvert Addition, Lodestar Energy, Inc., White Oak Mine #1, ACT/007/001-AM00B, Outgoing File.

Dear Mr. Miller:

The above-referenced amendment is conditionally approved upon receipt of seven clean copies for incorporation into the Mining and Reclamation Plan. The original submittal did not have page numbers. Be sure to add page numbers to the clean copies so they can be correctly included in Appendix R614-301-742.310, Hydrologic Calculations. Once we receive these copies, we will send an stamped approved copy to you for your Mining and Reclamation Plan. A copy of our technical analysis is enclosed for your information.

If you have any questions, please feel free to call Mike Suflita at (801) 538-5259, or me at (801) 538-5325.

Sincerely,

A handwritten signature in cursive script that reads "Daron A. Haddock".

Permit Supervisor
