RE: Lodestar Energy, Inc. - Permit C/007/001
Public Notice of Blasting Schedule- 2nd Notice

Dear Property Owner:

This letter is a **SECOND NOTICE**. The first notice was sent September 21, 2001 to the Salt Lake City office by certified mail and no return receipt has been received to this date.

This letter is to serve as notification that Lodestar Energy, Inc., Mining Permit C/007/001, proposes the following Blasting Schedule on its above referenced permit. This letter serves notice that all residents and public works within the given area are entitled to request a pre-blast survey. You may request a survey be conducted at your dwelling or structure if you are located within one-half (1/2) mile of the proposed mining area.

The existing permit area where blasting is to occur is at Latitude 39° 39' 55.6" and Longitude 111° 11' 16.4" at our Whisky Creek Mine on the White Oak Complex. This site is approximately 2 miles south west of the intersection of highways 96 and 264, approximately 5,000 feet south of Eccles Canyon in the Whisky Creek Canyon.

Should you desire a pre-blast survey be conducted, you must make a written request to:

Utah Coal Program
Utah Division of Oil, Gas and Mining
1594 West North Temple
Suite 1210
Salt Lake City, UT 84114-5801

or to

Lodestar Energy, Inc.
Mountain Operations
HC 35 Box 370
Helper, UT 84526

All requests for a pre-blast survey must be received by the State or the Company within thirty (30) days of notification.

Sincerely,

David B. Miller
Business Manager
Lodestar Energy, Inc.
