Re: Water Monitoring Deficiencies for Horizon & White Oak/Whisky Creek Permit Areas

Dear Pam:

The water database was updated on April 18, 2002, to include the items of concern addressed in your April 15, 2002 letters. We apologize for any inconvenience this may have caused. The lapse in the data being entered was due to the use of an outside contractor as well as the data being entered in house. Please feel free to contact Dave Miller or myself should you have any questions or comments.

Sincerely,

Kit Pappas  
 Environmental Coordinator
