RE: Amended Contract for Blast Training, Outgoing File

Dear Mr. Bradley:

Enclosed please find your signed copy of amendment #3 to our Blaster Certification and Training Contract # 01 6260. The amendment provides for a lump sum payment of \$2,700 to Bradley Safety Consultants, Inc. upon completion of the terms of the amended contract. In order to receive payment you will need to submit an invoice to our office.

We did receive the blast report which you prepared for the February 28th blast at the White Oak Mine. Thank you for your assistance during this project. Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".

Scope of Work Attachment "B"

H. An additional 24 hours of training will be conducted during the week of February 25, 2002. This Training will be directed to specific Division employees who have responsibility for review and approval of blasting plans (Engineering Discipline). This training will be geared toward surface blasting techniques and measurement of blast vibration so that adequate protection of nearby structures can be ensured. Specific training will be conducted in the field at an actual mine site so that hands-on experience can be gained doing seismic monitoring and ground vibration calculations.

Payment. The CONTRACTOR will be paid the lump sum of \$ 2,700.00 upon successful completion of the terms of this amended contact. The CONTRACTOR'S expenses for travel, lodging, and food while performing the training, examining and certifications are included in the submitted bid and are not a separate reimbursement.
