RE: Final Approval of Mitigation Plan for Surface Impact #23, Lodestar Energy, Inc, White Oak #1 Mine, C/007/001-02B-1, Outgoing File

Dear Mr. Miller:

The above-referenced amendment was conditionally approved on September 3, pending the receipt of seven (7) clean copies of the plan as well as a clearance from the USDA/ Manti-LaSal National Forest relative to a Goshawk survey in the affected area of Boarding House Canyon. The Division is in receipt of a letter from the USDA / Manti LaSal National Forest dated September 19, 2002, which indicates that a Goshawk survey is not needed for the affected area in Boarding House Canyon, if the necessary work is initiated after October 1<sup>st</sup>, 2002. Clean copies have been received in our office. Enclosed is a stamped incorporated copy for insertion into your Mining and Reclamation Plan.

Thank you for completing this permitting action. If you have any questions, please feel free to call Pete Hess at (435) 613-5622 or me at (801) 538-5325.

Sincerely,

Daron R. Haddock  
Permit Supervisor
