Re: Legal and Financial Information, Lodestar Energy, Inc., White Oak Mine, C/007/001LF02D, Horizon Mine, C/007/020LF02D, Outgoing File

Dear Mr. Miller:

The above-referenced amendments have been reviewed. There are deficiencies that must be adequately addressed prior to approval. A copy of the recent information registered with the Utah Department of Commerce does not match your application (see attached.) Additionally, for Appendix 1-1, all owners and controllers should be included pursuant to R645-301-112 (see definition of "ownership and control", R645-100-200). The organizational structure should indicate the owners and controllers above Iracoal, Inc. with the relative information. Please also include all of the current violation information for the entities pursuant to R645-301-113.

Please submit this information by December 19, 2002. If you have any questions, please call me at (801) 538-5268.

Sincerely,

Pamela Grubuagh-Littig
Permit Supervisor
