Pam,

Oman's lawyer sent a fax to Mary Ann today. I just got a copy. They left me in the lurch about getting documents to you today on Stipulation #6. I had everything ready to submit and just waiting on the documents when this showed up.

Hope you can help. Thanks!

Dave

SUBJECT: Request Extension for the Submittal of Revisions Required in Stipulation
6

Dear Ms. Grubaugh-Littig:

Lodestar Energy, Inc. has just received a copy of a facsimile sent from Frank Patrick – Oman's lawyer to Mary Ann Wright requesting additional time to complete the paperwork required to resolve the issues in Stipulation #6. His request because of time management problems puts Lodestar in a poor position to have these issues to you by the end of business today. We were prepared to have the required documents to you once they were provided by Mr. Patrick.

However, due to his delay and the request for additional time to provide the required documents, Lodestar believes it is necessary to also formally request an extension until the 28th of January. This date being mentioned in Mr. Patrick's facsimile to Mary Ann Wright.

Thank for you consideration on this matter. If there are any questions, please feel free to call me at (435)448-9454 or 9455.

Sincerely,

David B. Miller
